

Present around the World (PATW) Competition

Global competition for students, recent graduates, apprentices and young professionals aged 18-26 years.

Individual competitors give a presentation for 10 minutes on a subject related to engineering and technology and to answer questions for a further five minutes. More details are available online:
<http://theiet.org/patw/>

Prizes include: Winner 200CHF & representation at the Regional Final; Runner Up 150CHF. Presentations are followed by a complementary apéro.

Please register before 19th May 2014.
