

# SESE 2016 - The South European Systems Engineering Tour: April 2016

Conference tour of the SSSE with EU partner chapters (Italy, France, Spain)

The Italian, Swiss, French and Spanish chapter of INCOSE are organizing a series of events in Rome, Brugg-Windisch, Paris and Madrid. The purpose of these events is to promote Systems Engineering among practitioners and interested audience, and also strengthen the links between the chapters. The format of the events is a lecture day at each venture.

In Switzerland, the event will take place in the University of Applied Science and Arts NW Switzerland, FHNW, hostet by Prof. S.A.Fricker, Center of Requirements Engineering:  
 Room 6.0 D13, Bldg. 6  
 FH Nordwestschweiz FHNW  
 Campus Brugg-Windisch  
 Bahnhofstasse 6  
 CH-5210 Windisch
